Penn Machine Company maintains inventory of popular replacement parts for immediate delivery.

Items marked ** are PMC Stocked Inventory Item. Please inquire with your sales rep if you would like additional items stocked.

Contact us for your requirements.

*GE is a trade designator of General Electric. Penn Machine Company is not an authorized GE distributor, nor is it otherwise associated with or affiliated with GE. However, Penn Machine does represent that its replacement parts, components, subsystems, and services are compatible with and usable on GE locomotives.

** Part availability continues to expand.

If your requirements are not shown on this list, call us at **814.288.1547** or email us at pmcsales@pennmach.com.
